

# July Newsletter

## Face Coverings

Face coverings are required while on the Phoenix Biomedical Campus. Please visit <https://president.arizona.edu/news/2020/06/administrative-directive-use-face-coverings> for more information.

## Badges & Keys

A reminder to all departments, please inform the Planning and Operations team of all terminations by submitting a work order through [Maintenance Connection](#) and turn in badges at the access desk along with any keys that have been issued to the individual. Thank you!

## Passport Parking App

### Hourly Pay Parking powered by: Passport Parking App

As of July 6th, our metered pay stations located in lots 10002 and 10003 have been removed and replaced with the mobile Passport Parking App! **If you do not have a permit for these locations, you will have to pay for hourly visitor parking.**

Pay, extend, and manage your parking session with just a few taps. It's easy! Just park where you see Passport Parking app signs, pay for your parking session from your phone, and be on your way.

### What are the benefits of using Passport Parking?

- **Stress-free parking:**
  - No need to place your meter receipt on your dashboard.
  - Get alerts when your parking session is about to end.
  - Stop worrying about how much time is left on the meter.
- **No need to rush:**
  - Add time to your parking session directly from your phone.
  - Your plans change, your parking spot shouldn't. Simply extend your parking session via our app.
- **Easy expenses:**
  - Receive email receipts at the end of your parking session.

- Expenses made easy, manage your parking history through the mobile app.

**How do I pay for parking with Passport Parking?**

1. Download the Passport Parking app from the Apple App Store or Google Play store.
2. Create an account with your mobile phone number or email address.
3. Park anywhere you see Passport Parking app signs.
4. Pay for your parking session from your phone.
5. Extend your time remotely if you would like to stay longer!

**Big Voice Campus Announcement System**

We will be testing the Big Voice Campus Announcement System on Monday, July 20th, starting at 6:30am, which will last for approximately an hour. A wide variety of messages will be broadcast for testing purposes. Please disregard these messages. The Phoenix Police Dept. and our surrounding community partners will also be notified. We are scheduling this early in the morning to avoid disruptions during the work day. For any questions please reach out Shaun Wolfel at [swolfel@arizona.edu](mailto:swolfel@arizona.edu) or you can reach security at **(602) 827-2368**.

## H.M.I. Landscape

We would like to welcome H.M. I. Landscape to our PBC family as our new landscape contractor! H.M.I. Landscape is currently serving many other governmental agencies including the City of Phoenix, Maricopa County and the State of Arizona just to name a few. Their landscape service crews can be seen performing services along Arizona's freeway system. H.M.I. began service here on July 1, 2020 and have already made a difference in the appearance of the campus. They've trimmed back many of the shrubs and trees that were becoming unsightly. In addition, the crews are adjusting the water supply to the vegetation focusing on water savings for the campus. They've identified several improvement areas that they will be drafting plans and proposals to add to the existing beauty of the PBC exterior. They will be sharing their ideas on campus improvement areas with our team and we'll review those and work towards constant enhancement of the landscape as resources become available.

Welcome H.M.I !
