

# March Newsletter

## Covid-19 Testing

As a helpful reminder, the **UA COVID-19 PCR testing** occurs every Wednesday from 8:00AM - 1:00PM located on the UA-PBC Building 4, Room 115 (714 E. Van Buren Street, Phoenix, AZ 85006). Parking will be available and is free to all participants, please park near the front doors of building 4. Please note, in order to participate in the PCR SG testing, we ask that all participants **do not eat/drink anything or brush their teeth 30 minutes prior** to your test. Drinking water is okay.

In addition, we are also providing the **Statewide Antibody testing** in partnership with The University of Arizona Health Sciences and the Arizona Department of Health Services. The antibody testing service is being offered every Monday – Wednesday from 8AM – 3PM at Building 4, Room 115 via **appointment only**. To learn more and/or to schedule an appointment, please visit: <https://covid19antibodytesting.arizona.edu>.

## UA Covid-19 Vaccine Clinic

The University of Arizona College of Public Health Phoenix program and Maricopa County Public Health Department have partnered together, to provide the **COVID-19 vaccine** for vulnerable and underserved

communities (i.e., senior housing, public housing, and rural community centers) across Maricopa County. **Want to be a part of the COVID-19 vaccine initiative?** We need both clinicians (i.e., physicians, physicians assistant, pharmacist, nurses, etc.) to volunteer as a preceptor, vaccinator, etc., and non-clinical personal to support as a scribe, navigator, etc. Please complete the **Sign-Up Genius URL link below**. Training for specific roles will be provided on-site, prior to the start of the vaccine clinic. However, to get the job done right, we need a team and what better way to approach this initiative than through an interprofessional model, where students, staff, and faculty from different programs on the Phoenix Biomedical Campus and Banner Health, work together to combat COVID-19 and to provide a safer community one vaccine at a time.

To all volunteers, we ask that you please arrive 30 minutes prior to each vaccine clinic for quick introductions, role designation, operational flow, and setup. All PPE items will be provided on site. Should you have any questions and/or if all the slots are full, please email Jeffrey Hanna at [jefferyhanna@arizona.edu](mailto:jefferyhanna@arizona.edu) and/or call/text (480) 363-6891. Thank you for your support to our campus and community! Bear Down!

Should you have any questions or concerns, please reach out either Jeffrey Hanna at [jefferyhanna@arizona.edu](mailto:jefferyhanna@arizona.edu) and/or Maryell Martinez at [maryellmartinez@arizona.edu](mailto:maryellmartinez@arizona.edu).

## Parking and Transportation

### TRAVEL REDUCTION SURVEY

#### Survey collection period open through 03/31/2021

In conjunction with the *Maricopa County Air Quality Department*, The University of Arizona is required to submit an annual Travel Reduction Program Survey in the month of March as part of our obligation to meet the national air quality requirements. We are requesting that every University of Arizona **Student** and **Employee** at the Phoenix Biomedical Campus participates, as we are **required to have a 60% response rate** from each party. This includes individuals that telecommute or telework.

Data from this survey is used to measure alternative mode usage across the region, calculate emission savings, and is reported to the Arizona Department of Environmental Quality. The data is important for the University so that we can examine our alternative transportation programs for feasibility and effectiveness. Other area planners will use the data, for example, to evaluate transit routes, road projects, and plan for future infrastructure needs.

The survey is anonymous and takes a few minutes to complete. We will continue to send reminder emails for survey participation until we reach the mandatory 60% response rate.

EMPLOYEE LINK: <http://travelreductionsurvey.azurewebsites.us/Survey/Form?code=UNIARM-1-14>

STUDENT LINK: <http://travelreductionsurvey.azurewebsites.us/Survey/Form?code=UNIARM-2-14>

If you cannot fill this out online or do not have access to a computer, please email Danitza Lopez for other arrangements at [dlopez10@arizona.edu](mailto:dlopez10@arizona.edu).

Your time and support will be greatly appreciated!

## Security Update

Planning and Operations always strives to serve the campus in the best way possible. With that end in mind, we would like to announce we will be transitioning security to an “in-house” method of delivery. Bringing security in house will result in more consistency, better customer service, quicker response to issues and maintenance, and better service to campus. We wish to make this transition seamless and without any interruptions to operations. Please be on the look out as we will be introducing our security team in the upcoming newsletters and at their posts throughout campus.

## Blue House Coffee

Blue House Coffee's doors are now open! They have specialty coffee roasters, an espresso bar, breakfast and lunch options, and offer catering services. Come by and say hello Monday through Friday from 7am to 3pm.

(602)767-2692

## Surplus Property Removal Services

The limited traffic on campus makes now a great time to surplus your excess University of Arizona equipment. Surplus Property is available and ready to remove the unwanted equipment and supplies from your premises.

### Removal Process and Information

- Call Surplus at 520-621-1754 to schedule an appointment.
- Surplus staff will meet a designated person at your location to remove the property expeditiously and with outstanding service.

For questions related to creating a disposal form, please contact Surplus Property at 520-621-1754.

## Contact Information

For badges, Cat Cards, keys and access requests please submit a work order through [Maintenance Connection](#). (Please keep in mind you cannot self-request badges, new access levels or keys). The Access Team can also be reached at [PBC-Access@email.arizona.edu](mailto:PBC-Access@email.arizona.edu)

For parking inquiries, please email: [PTS-Phoenix@email.arizona.edu](mailto:PTS-Phoenix@email.arizona.edu)

For general maintenance requests, please submit a work order through [Maintenance Connection](#).

Security can be reached at **(602) 827-2368**

**Emergency On-Call Maintenance** (HVAC, Electric, Flood) **(877) 681-5116**

## How to Submit a Work Order through Maintenance Connection

1. Go to [Maintenance Connection](#) - This can now be done in any web browser
2. Choose a username and password; these are based upon what building you work in:

### Location - Member ID - Password

Arizona Biomedical Collaborative (ABC1, PBC) - UAABCBU1 - abcbu1

Biomedical Sciences Partnership Building (BSPB01) - UABSPB01 - science2

Building Four (PBC, BUILD4) - UABUILD4 - phazb4

Building One (PBC, BUILD1) - UABUILD1 - pbcbu1

Building Three (PBC, BUILD3) - UABUILD3 - 650bu3

Building Two (PBC, BUILD2) - UABUILD2 - 600pbc

Health Sciences Education Building (HSEB01) - UAHSEB01 - pbchseb

3. Fill out all fields as completely as possible, ESPECIALLY the Short Description; the more information you provide, the better. If you need to meet the assigned Planning & Operations staff on a specific date, time, or place, please indicate that in the fields. Also, be sure to include your name, phone number and email. Lastly, please be sure to change the date to the actual date needed. Once this is done, hit "Submit".
