**Covid-19 Testing**

As a helpful reminder, the **UA COVID-19 PCR testing** occurs every Wednesday from 8:00AM - 1:00PM located at Building 4, Room 115 (714 E. Van Buren Street, Phoenix, AZ 85006). Parking will be available and is free to all participants, please park near the front doors of building 4. Please note, in order to participate in the PCR SG testing, we ask that all participants **do not eat/drink anything or brush their teeth 30 minutes prior** to your test. Drinking water is okay.
COVID-19 Antibody Testing

COVID-19 Antibody testing is offered at two locations in the Maricopa area, Banner University Medical Center Phoenix and Banner Desert Medical Center in Mesa. For more information and to register and schedule an appointment, please visit [https://covid19antibodytesting.arizona.edu](https://covid19antibodytesting.arizona.edu).

Mask Reminder

Although Governor Doug Ducey has issued an executive order lifting mask mandates and many have been vaccinated, the University of Arizona’s face covering requirements will continue to remain in place. For more information, please visit [covid19.arizona.edu/face-coverings](https://covid19.arizona.edu/face-coverings).

Maintenance Update

This month the general maintenance team is performing the quarterly fire sprinkler inspections and boiler inspections in BSPB and HSEB. Every month the team also conducts elevator, fire extinguisher and AED inspections, and restocks all the first aid kits on campus. As always, please submit a work order if you need assistance.

The team is also looking forward to using these new maintenance notice cards to let you know they have responded to your request and the work has been completed.
Quick Tips

Please do not prop open doors that have a card-reader showing red. A door should only be propped open if a door override has been put in so that the reader shows green – otherwise the door is sending alarms and our team is being trained to ignore alarms on doors. If something has been scheduled last minute or a door override was not completed after a request was made please call our PBC Access team at 602-827-2758 for assistance.

Construction Update

The City of Phoenix will be starting construction on 7th street (by HSEB and lot 10003) in the near future for utility work.
